Renewal: 2023 - 2024

Dear Elevating Device Contractor,

The Technical Standards and Safety Authority (TSSA) is pleased to provide you with this information package to assist you with the renewal of your Contractor Registration for the upcoming renewal period.

TSSA will be transitioning to a new operating system scheduled for March 2023. We appreciate everyone's patience during this transition.

To support this transition, the following changes have been made for this renewal period:

1. The expiry date for all active Contractor registrations have been extended to May 31, 2023
2. All Renewal applications will be processed after March 1st, 2023, to accommodate our change in operating system
3. As such, we have extended the validity period which we will continue to accept and process renewals without penalty to June 1st 2023.

Note: All renewal packages for the 2023-2024 year received complete with pre-payment prior to June 1st 2023, will not qualify as a lapsed authorization."

Please renew on time. You will not be permitted to operate if you do not renew your registration prior to its expiry date. If your authorization expires, TSSA may perform an inspection at a cost to you to verify you are no longer operating.

Important information when completing your initial/renewal package.

Initial/Renewal Package Checklist

To assist you with completing the package, ensure you have:

- 1. Completed application form
- 2. Prepaid registration fee (**Note: Renewal fees will no longer be invoiced, and must be prepaid**)
